GROUND TRANSPORATION OPERATING PROCEDURES

MBS International Airport's transportation-for-hire industry procedures are designed to protect the safety of its passengers and visitors, provide them expanded public transportation options and promote fair competition for transportation providers.

ALL taxicabs and limousines that transfer passengers to and from the airport for payment, must have an airport issued permit.

Transportation Network Companies are NOT required to individually apply for a permit. TNCs are required to have an operating agreement with the airport. Drivers of registered TNCs must register their vehicle with the airport to receive their vehicle decal at no charge.

Airport Shuttles are defined as complimentary services provided to transfer passengers to and from the airport. Airport Shuttles may use at no charge, the marked, designated shuttle waiting area in the terminal drive lane. Hired, third-party providers are not considered shuttles and will be required to have an operating permit.

Airport Ground Transportation Operating Permit Fees:

The airport permit fee must be paid at the time of application/permit issuance. Permits are valid for one year, from November 1st through October 31st and must be renewed on an annual basis. Permit fees will not be prorated and are non-refundable.

Taxicab/Limousine Operator:	$200 Annually, includes two (2) vehicle decals $25 Annually for each additional vehicle decal
Transportation Network Company:	Concession Agreement replaces permit application Annual complimentary vehicle decals

Permit applications and requirements can be found online at *www.mbsairport.org/ground_transportation*

Permits applications and payment by cash or check, must be made in-person at the airport's administration office located at:
