Census data available for geographic market for non-car rental and car rental concessions of Midland, Bay and Saginaw Counties, indicate that there currently are no Certified ACDBE’s within our service area. Also, no ACDBE’s have expressed interest. No known potential opportunities are anticipated during 2025-2027 goal period. The goal of 1.0% is based on previous goal history and past performance data.

The goal setting process that has been utilized by the MBS International Airport Commission to establish its annual overall goal provides an opportunity to consult with minority, women’s and general contractor groups, community organizations, and other officials or organizations which could be expected to have information concerning the availability of ACDBEs and non-ACDBEs. The MBS International Airport Commission seeks to establish a level playing field for the participants of ACDBEs within the MBS International Airport Commission geographic market area of Midland, Bay and Saginaw counties.
